

EDUCATIONAL OFFERINGS

Loop 2.4.3 has presented concerts, masterclasses and workshops at Michigan State University, Cornell University, Oklahoma City University, Ithaca College, University at Buffalo, University of Michigan, and others. The group offers concerts, educational activities, and master classes/workshops in the form of 1 day to 3-day-long residencies focusing in the following areas:

- Lessons/Masterclasses in percussion performance:
 - mallet instruments - technique and repertoire
 - steel drum
 - Conga/Hand Drumming - techniques and styles
 - Timpani – technique, tuning and maintenance
 - Rudimental drumming/hand and chop development
- Improvisation (all instruments)
- Composition – interactive demonstration and discussion
- Chamber music and jazz ensemble coaching (all instruments)
- Music Business - The Era of the Independent: Lecture and Discussion
 - Record Labels, Non-Profit vs. LLC, Publicity, Booking and Marketing

Customization of services and additional options are available.
